

SIZE GUIDE HI-VIS

HOW TO TAKE YOUR MEASUREMENTS

A Chest

Measure horizontally around the widest part of the chest/bust. Make sure you keep the tape measure straight across your back.

B Waist

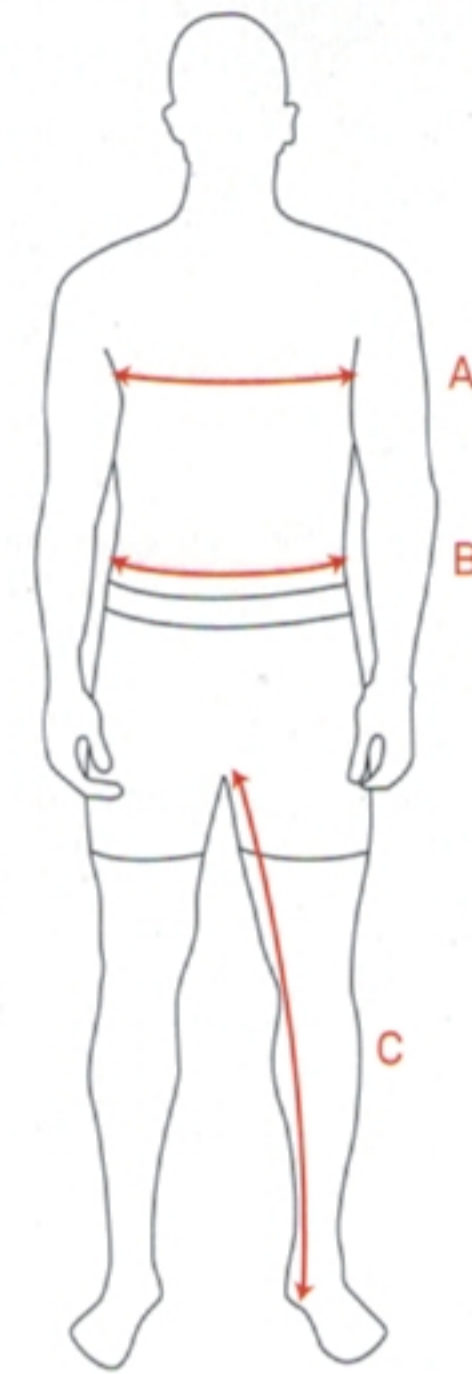

Measure horizontally around your natural waistline at navel height.

THIS IS HOW YOU FIND THE RIGHT SIZE!

Take your measurements according to the instructions.

Wear close fitting underwear when measuring. Width is measured around circumference.

Check the sizes available in each garment before ordering. Not every size is made in each model.
