

ICON™ Be Seen... Be Safe... Be Cool..

The Icon™ Premium ANSI Compliant Breathable And High Visibility Outerwear - Polyurethane On 300 Denier Polyestee

Engineered to provide superior comfort and safety in the toughest work environments.

- ANSI/ISEA 107 Class 3 compliant suit, jacket, and coat for high visibility and breathability.
- Loaded with premium features for multipurpose applications.
- Fluorescent background colors for excellent daytime visibility.
- 2" silver reflective tape reflects light for 360° nighttime conspicuity.
- Icon 3.1 jacket system (style J24172) comes standard with removable fleece liner for all season comfort and use.

Ideal Applications: For use in environments where high visibility and breathability are desired for wearer safety and comfort.

Zipper/storm fly front with throat guard. D-ring access for fall protection harness. Roll-a-way, adjustable hood in collar, and mesh/taffeta lining.

Removable 300g fleece liner available in Icon 3.1 style J24172.

The Icon for premium breathable, high visibility outerwear.
